OFFICE OF THE INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

Notification D. No. 91, dated 26th May 1924.

The following unserviceable articles in the school of Engineering, Bangalore, will be sold by public auction by the Superintendent, school of Engineering on 11th June 1924, and the following days if necessary.

The auction sale will commence at 2 P.M., every day and will be conducted in the school premises.

The terms and conditions of auction sale will be as follows :—

(1) The articles will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders, at the same price, the articles shall be put up again and resold.

(2) The sale amount should be paid up immediately. In case it could not be paid immediately, a deposit of 25 per cent of the amount should be recovered from the successful bidder immediately the articles are knocked down in his favour and such deposits shall be treated as forfeited to Government in case of any default to pay the full purchase money within 3 days of the sale.

(3) Cash should be paid in full for articles purchased by bidders before delivery but the articles will not be allowed to be removed from the place of auction until after the close of the sale.

(4) In case of default of payment of the whole or any portion of the purchase amount by the bidder, the articles will be resold and the bidder will be liable to any loss incurred thereby. The bidder will also be liable to make good to Government any loss incurred thereby without having the right to participate in any excess realised.

(5) All articles purchased will be at the risk of the purchaser thereof from the time of sale.

(6) All articles should be accepted with faults and errors of all description as sold.
